

Name \_\_\_\_\_

# Can You Find the Sentences

Find the groups of words that are sentences.

1. Write **sentence** on the line following each complete sentence.
2. Circle the **subject** of the sentence.
3. Draw a line under the **predicate** of the sentence.

*(the verb + rest of sentence)*

Tom and Julie played ball \_\_\_\_\_

Climbed the mountain and camped \_\_\_\_\_

The class went to the library \_\_\_\_\_

Marilyn ate her lunch \_\_\_\_\_

Susan, Bill, and Jack \_\_\_\_\_

The flag waved in the wind \_\_\_\_\_

The girl stumbled forward \_\_\_\_\_

Always busy working in the kitchen \_\_\_\_\_

The soccer ball flew into the goal \_\_\_\_\_

The computer responded to his command \_\_\_\_\_

On the back of this page, make each **non-sentence** into a **sentence**.
