This Is Me!

Look in the mirror. Now look at the person sitting next to you. Eyes, ears, hair, a nose, and a mouth, right? Do you look like twins? If you have the same parts, why do you look different? Use this page to record words and phrases that describe yourself clearly.

Hair

What is the color of your hair? Compare the color of your hair to something. Is it more the color of a daffodil, honey, butterscotch, or wheat? How long is it? How is it styled? Is it shaved, curled, braided, or straight?

Eyes

Are your eyes small? Do they look soft or weepy? Are your lashes long and curved or short and thick? Think about the color and remember to compare it with something.

Nose

Describe your nose. Is it pointy or round? Is it long or short? Does your nose turn up? What about freckles? Sunburn?

Mouth

Look at your lips and your teeth. Do you have dimples? Are you smiling or frowning?
